

## Assessment Committee

### Purpose:

To support the campus community in planning and assessment-related processes including Strategic Planning, Accreditation, and Performance Funding.

- To inform the campus community of the goals and activities included in the Strategic Plan; to assure compliance with the goals by reviewing annual progress reports; and to recommend changes as needed.
- To inform the campus community of accreditation issues; to review documentation of compliance; and to aid in the completion of re-affirmation reports.
- To support the Performance Funding assessment process by discussing, aiding, and finalizing Performance Funding issues across campus.
