

Welcome to "**Get Connected**" where you can find information about the many ways to plug into student life at ChattState.

Whether you're interested in joining a campus club or organization, participating in intramural activities, attending a workshop or just hanging out at one of the many fun events planned by APB, this is where you come to find the 411.

As a Chattanooga State Fan on Facebook, you can connect with other students and keep up with what's happening on campus.

Now, you don't have any excuses for not becoming involved in student life and meeting other students. Take it from me, Angela Joe, college is much more fun and rewarding when you're involved.
