Other sources of test review materials include the reading comprehension and mathematics (basic math up to intermediate algebra) sections of any GED, ACT or SAT prep manual. Study Manuals are also on reserve at the Chattanooga State Library.
- Calculators are **NOT ALLOWED**.
- The test will be taken on the computer. **There is no paper and pencil option**.
- In order to be a valid test, it must have been taken within two (2) years of the program application deadline. Only **one test every six (6) months** is valid.
- **ADVANCED REGISTRATION** is required due to limited seating. **DON'T WAIT!** Pre-register at least 4-6 weeks before the program deadline date. Remember: The test has to be taken on or before the program deadline date.
- **RESULTS OF TEAS:** After you take the test, keep a copy of your TEAS results. You will be attaching a copy and/or posting the test date information on your program application. The student can **at any time** access their results under their account at ATI testing visit <http://www.atitesting.com/solutions/prenursingschool/teas.aspx> or contact **ATI at 800-667-7531. If the TEAS is retaken, the higher score total from one test will be used**
- **SCORING THE TEAS:** Don't forget to view the **TEAS Sample Score Sheet – Individual Performance Profile**, which is available on the N&AH website. This will help you understand how the TEAS is scored. The adjusted individual scores of the two tests are averaged to the nearest tenth (i.e. 63.8) for a composite score. Remember, each N&AH program calculates the formula points differently. Attend a program information session to go over this important process.
