## START YOUR CAREER IN A YEAR OR LESS TUITION-FREE

Enroll tuition-free in one of the Tennessee College of Applied Technology's (TCAT) hands-on, technical programs leading to diplomas and certificates in a variety of high-demand fields like **Computer Support, Industrial Maintenance Mechatronics, Surgical Technology, Practical Nursing** and **Welding Technology**. Programs are completed in a year or less!

**Tennessee Promise Scholarship** and **Tennessee Reconnect Grant** provide for two years tuition-free at Chattanooga State, including the Tennessee College of Applied Technology (TCAT). See **Financial Aid** section on the reverse side to find out more.

## EARN WHILE YOU LEARN

While not all short-term certificates qualify for Tennessee Promise or Tennessee Reconnect, Chattanooga State also offers **earn-while-you-learn Apprenticeship** and **Certificate** programs—some as short as 3-weeks in length. It's the best of both worlds and the fastest way to a rewarding career.

## 2-YEAR DEGREES TUITION-FREE

Chattanooga State offers a wide variety of **2-year Associate Degree programs** that qualify for **FREE TUITION** through the **Tennessee Promise Scholarship** and **Tennessee Reconnect Grant**. Degree Programs cover occupational/vocational or general studies across many fields. Some programs prepare students to enter the workforce right away while others transfer to an advanced degree program at a four-year institution.

- ▶ **Associate of Arts (AA)** degree programs include liberal arts with emphasis on the humanities such as social sciences, literature and the fine arts.
- ▶ **Associate of Science (AS)** programs also include liberal arts but emphasize math and science.
- ▶ **Associate of Fine Arts (AFA)** degree programs prepare students for careers in art, music or theater.
- ▶ **Associate of Science in Teaching (AST)** satisfies Chattanooga State's AS Degree requirements for graduation, and also prepares students for entry into various four-year College of Education programs in our region and across the state.
- ▶ **Associate of Applied Science (AAS)** degrees are designed to prepare students for immediate employment in a specialized area or to grow within their career. These degrees are designed not to transfer.
